August 2009

Dear Merchant:

Canyon High School Baseball is hosting a "Night at the Races" fundraiser on October 24, 2009. We are turning to our local community for prize donations to help make this event a success. With the help of generous local business support like your, the money we earn helps our team purchase uniforms and much needed equipment, attend out of town tournaments, and promote team unity. As we are sure you are aware, high school sports programs no longer receive state funding, so we must rely on our parents and our community to raise money for our teams. We are committed because we feel that students who participate in organized sports are healthier, perform better academically, and in turn, give back to their community. We are sure you agree that your donation is also an investment in our future.

Your donation of a gift certificate or service is tax deductible and will insure that our silent auction and raffles are a success. In addition, you can sponsor a horse for the event at a cost of \$150. Our MC will announce your name many times throughout the evening, thanking you for your support. This is a great way to show your company's connection to the community while supporting Canyon Baseball. There are only six horses available so you must hurry if you'd like to be a sponsor. You may send your prize donation to the address above or contact Art Montoya at (661) 252-8091 and we will pick it up. To sponsor a horse, please contact Art and he will give you the details.

We would also like to extend an invitation to you and your friends to attend this fun filled evening. Ticket prices are \$20 each in advance, and \$25 at the door. For your prize donation of \$100 or more, you will receive two complimentary tickets.

Thank you for your support!

Sincerely,

Canyon High School Baseball Booster Club
