## **2009-2010 Fundraising**

The Canyon High School baseball program is launching its 2009-2010 season fundraising campaign. Funds are used to purchase/upgrade equipment and to maintain and improve the quality of the Field and Program. It includes balls for each team, uniforms, equipment, field maintenance/upgrades and other necessities.

The School District budget for Varsity, JV and Freshman baseball at Canyon High falls well short of what is needed to support our 50-plus players. Your assistance through fundraising will go a long way toward building and maintaining a great program.

On behalf of Canyon High School Baseball Boosters, we want to thank you for your continued support. It is parents and players like you who help keep the tradition of Canyon High School Baseball running. We hope that you will be able to lend your support to all fundraising events in whatever way you can!

### **This year's goal is raising funds for the following:**

- **Add a Lockers/Team room for the players**
- **Add weight room to Storage Shed**
- **Add Hitting Stations and Practice Pitching Mounds to Complex**
- **Change Sprinklers to infield**

### **2009-2010 Fundraising Events:**

- Night at the Races (October)
- Hit-a-thon (November)
- Sponsorships through Yearbook Ads and/or Banners (August- December)
- Special Event Parking (UCLA Games at the Rose Bowl and Fontana Race Track) (Varies)
- Poker Night (February)

## Canyon High School Baseball Boosters

### **Dear Business-Owner & Community Supporter,**

The Canyon High School baseball program is launching its 2009-2010 season fundraising campaign. Sponsorship funds are used to purchase/upgrade equipment and to maintain and improve the quality of the Field and Program. It includes balls for each team, uniforms, equipment, field maintenance and other necessities. This year, the program is trying to purchase a team room where the players can change and store their equipment. This will eliminate the players walking with their equipment, including baseball bats, on campus during the school hours.

The School District budget for Varsity, JV and Freshman baseball at Canyon High falls well short of what is needed to support our 50-plus players. Your assistance through sponsorship will go a long way toward building and maintaining a great program. We have a variety of sponsorship levels which are listed below. We request your help by sponsoring at least an ad in our yearbook or on our web page or a banner to be displayed at our field through the year.

By sponsoring a Field Banner your business name will be displayed at the Canyon High School baseball facility to several other programs and families from the Santa Clarita Valley such as Hart, Valencia, Saugus, West Ranch, and Golden Valley High Schools. Other teams from the San Fernando Valley, Antelope Valley and throughout Southern California are also scheduled to play at our facility. This will provide optimum advertising for your business.

Banners will be displayed throughout the High School spring baseball season as well as throughout the summer recreational baseball season, and the fall leagues.

On behalf of Canyon High School Baseball program, we want to thank you for your continued community support. It is businesses like yours who help keep the Canyon High School Baseball program running. We hope that you will be able to lend your support to our program in whatever way you can!
